Registration Details

To request a seat in a training class, please submit your enrollment form to Medinatechtraining@baxter.com and we will be happy to assist you in scheduling. Reservations must be received at least 14 business days prior to your desired class.

> **NOTE:** Please do not make any travel reservations until you have received a confirmation email.

Lunch will be provided on each training day. If you have any special medical or dietary requirements, please let us know when you contact us and we will make reasonable accommodations as possible.

> **NOTE:** For all Buffalo, NY training events, a class dinner outing will be included on the first day of training.

Lodging

Baxter will provide you with a list of recommended hotels in each city.

Attendees will be responsible for booking their hotel room, as well as airfare and meals not listed above.

In-Bound Flights

Attendees should plan to arrive the evening before the first day of training.

Return Flights

Buffalo, NY class locations: Your return flight should be scheduled after 6:00 PM EST on the last day of the respective class.

Chicago (Deerfield), IL class location: Your return flight should be scheduled after 6:30 PM CST on the last day of the respective class.

On-site Training

On-site **Spectrum** Infusion System Technical Training is also available upon request (minimum attendance requirements apply). An additional on-site fee will be required for each student.

If you have any questions or require additional information, contact the **Spectrum** Infusion System Technical Training Team via email at Medinatechtraining@baxter.com for availability and pricing.
